Louis,

I see that Plaintiffs went ahead and filed their motion for leave with the Court without affording the parties an opportunity to meet and confer first. I do not know whether that process would have yielded an amicable resolution of this issue or not, but given Plaintiffs' premature filing, I will consider your request to confer regarding this motion to have been withdrawn. Defendants' position on the relief Plaintiffs' seek will be stated plainly in our response. If after reviewing that response, Plaintiffs are interested in meeting and conferring in a good faith attempt to resolve the matter prior to the Court ruling on the motion, please do not hesitate to contact me.

Louis,

I am sorry I missed your call. I will need to collect the views of counsel for each of the defendants' before conferring with you on the State's request. Given that several

defense lawyers (including myself) are away for the holidays, it may be next week before I can complete that process. I will call you to discuss this request as soon as I can.

Robert:

I attempted to call you a few minutes ago, but missed you. I need to talk to you as soon as possible about two matters: (1) The State is preparing to file a motion for permission to present rebuttal reports as to three of the Defendants' experts. Those are Myoda, Clay and Jarman. As for Clay and Jarman, we will file those within 14 days of the granting of permission. As for Myoda we will file that within 30 days of receiving the information which David Page has requested as well as splits of the samples collected by the Defense that are in Dr. Myoda's possession. (2) The State is also seeking permission to present a supplemental report from Cook and Welch as to conditions in Lake Tenkiller during the past summer. A draft of this supplemental report was presented to the Defense at Dr. Cook's deposition on December 4, 2008. Defendants were made aware that such a report was being considered during Dr. Welch's report on August 14th.

Please call me at your earliest convenience so that we can confer concerning these two motions. I will be leaving the office at 1:00 but can be reached on my cell at 918-740-4842. Thank you, I look forward to talking to you.
